Dear Mr West

Re: Education

I wish to take this opportunity to thank you and your team for helping me through this difficult stage in my life. In certain respects I consider I have been given a second life due to all the help I am receiving from the Turnaround E1 team. In particular having access to a Photoshop software package and computer through your organisation gives me hope for the future. Being able to apply and understand Photoshop software will probably take a couple of years practice but my chances securing employment will undoubtedly be enhanced.

I also found Turnaround E1's day outing to Hampton Court exceptionally well organised and being able to savour true English heritage was a real delight. In conclusion being accepted as a member of Turnaround E1 is to my mind a blessing in disguise.

Once again thank you for you and your teams kindness.

Yours in Good Faith,
